Participating organizations:

State Policy Network - State Policy Network supports 66 independent state think tanks that develop practical public policy solutions to help solve some of our country's greatest challenges at the state and national levels.

American Legislative Exchange Council - ALEC is America's largest nonpartisan, voluntary membership organization of state legislators dedicated to the principles of limited government, free markets and federalism. It is comprised of nearly one-quarter of the country's state legislators and stakeholders from across the policy spectrum.

Republican Governors Public Policy Committee - RGPPC serves as the official policy arm of the Republican Governors Association. Bringing together 33 Republican governors from statehouses across the country, the RGPPC is committed to shaping public policy debates at the state and federal levels of government.
